

## **ADDENDUM #2**

On April 23, 2018-, the New Hampshire Department of Health and Human Services published a request for proposals, to solicit proposals for the provision of Oral Health Promotion Partner (OHPP) services for the Oral Health Program in order to implement activities funded through federal grants that include, but are not limited to:

- Developing subrecipient contracts/agreements with school-based and community-based dental programs.
- Developing subrecipient contracts/agreements with dental centers to provide dental screenings, fluoride treatments and referrals to services for individuals in substance use disorder (SUD) treatment programs.
- Collaborating with the Department to engage, inform and learn from a network of oral health stakeholders to promote the goals of the [2015 New Hampshire Oral Health Plan](#) and the [New Hampshire Oral Health Program Five-Year Communication Plan 2015-2020](#).

**Pursuant to Section 5.14 Non-Commitment of RFP-2018-DPHS-24-STATE, the Department hereby cancels this RFP. Should the Department issue an RFP for the same services as described in RFP-2018-DPHS-24-STATE, potential bidders shall be notified via the same process as the previous RFP.**
